

Questions, Questions, Questions...

We like asking questions; the answers give us ideas and provide information on how we may be able to help you...

Getting rich slowly is not rocket science, this is how to do it; reduce your bad debts and interest payments as much as possible, organise and stick to a weekly budget, and save some money every week, and then, invest that weekly surplus into a safe, high growth asset class for a long period of time...see, not rocket science at all, it's very simple really.

At me&Nathan, our approach and purpose is also straightforward and easy to understand, we would love to work with you and help you to 'get rich slowly, by taking you step by step through each of the following processes...

① Restructuring your Finances QUESTIONS & SOLUTION

- Do you want to find out if you can lower your monthly mortgage repayments?
- Have you run up some credit card debt and want to sort it out?
- Do you have a lease on a car with a high interest rate and would like it to be lower?
- Do you have a few store cards that are getting out of control?

We will help you sort out all, or some, of the above.

② Organising your Household Budget QUESTIONS & SOLUTION

- Do you know where all your money goes each week?
- Do you have a household budget?
- Do you save money each week?
- Would you like to save money each week?

We will help you create a household budget so you can create a weekly surplus to invest.

③ Decide what \$ you need to achieve your Financial Goals QUESTIONS & SOLUTION

- Do you have short term financial goals?
- Do you have long term financial goals?
- Do you have lifestyle goals, or, a list of items you wish to buy?
- Do you have Children you would like to send to private schools?
- Do you know how much money you will need in retirement?
- Do you know how and where to invest the money you can save to achieve these goals?

We will show you tried and tested ways to achieve as many goals as possible using whatever money and time you have.

④ Look at our Investment options

Always lower than an independent Valuation - Guaranteed

- We will show you, and offer, superior property investment products
- We will educate and demonstrate why our products are truly first class investment options

Then, best of all, we don't expect you to take our word for it, we will ask you to get your own valuation, we will then agree to sell you the investment for less than your sworn independent valuation...we believe in creating win/win outcomes, we don't want our clients to be happy, we want you to absolutely rave about us and tell everyone how good a deal you got!!

Remember, none of our services will ever cost you a \$, they are all completely free of charge; all we ask is that when you are happy and ready to rave about our services, you will refer us to your network of family and friends...we believe that is the best way for us to grow our business and the best possible outcome for us to be driven by, and to focus on.

If you are interested in any of the above services, please complete the enquiry form on our website and we will make an appointment to come and see you in the comfort of your own home, at a time that suits you...we will listen to you, we will assess your current situation, we are not pushy, you will always be in control, you will decide how far you want to go and if and when you progress from stage 1, to stage 2, and right through to stage 4 if you like...its completely up to you...

That's it – the ball's in your court!

Finally..."it's not what we know that really matters, neither is it how well educated we are or what we think, rather, it is the actions we undertake with purpose that do more to define the outcomes we achieve in life.

if you really want to get rich slowly...don't keep thinking about it, do something about it.

Please complete the enquiry form...we don't bite.
